

An interesting way to do multiplication

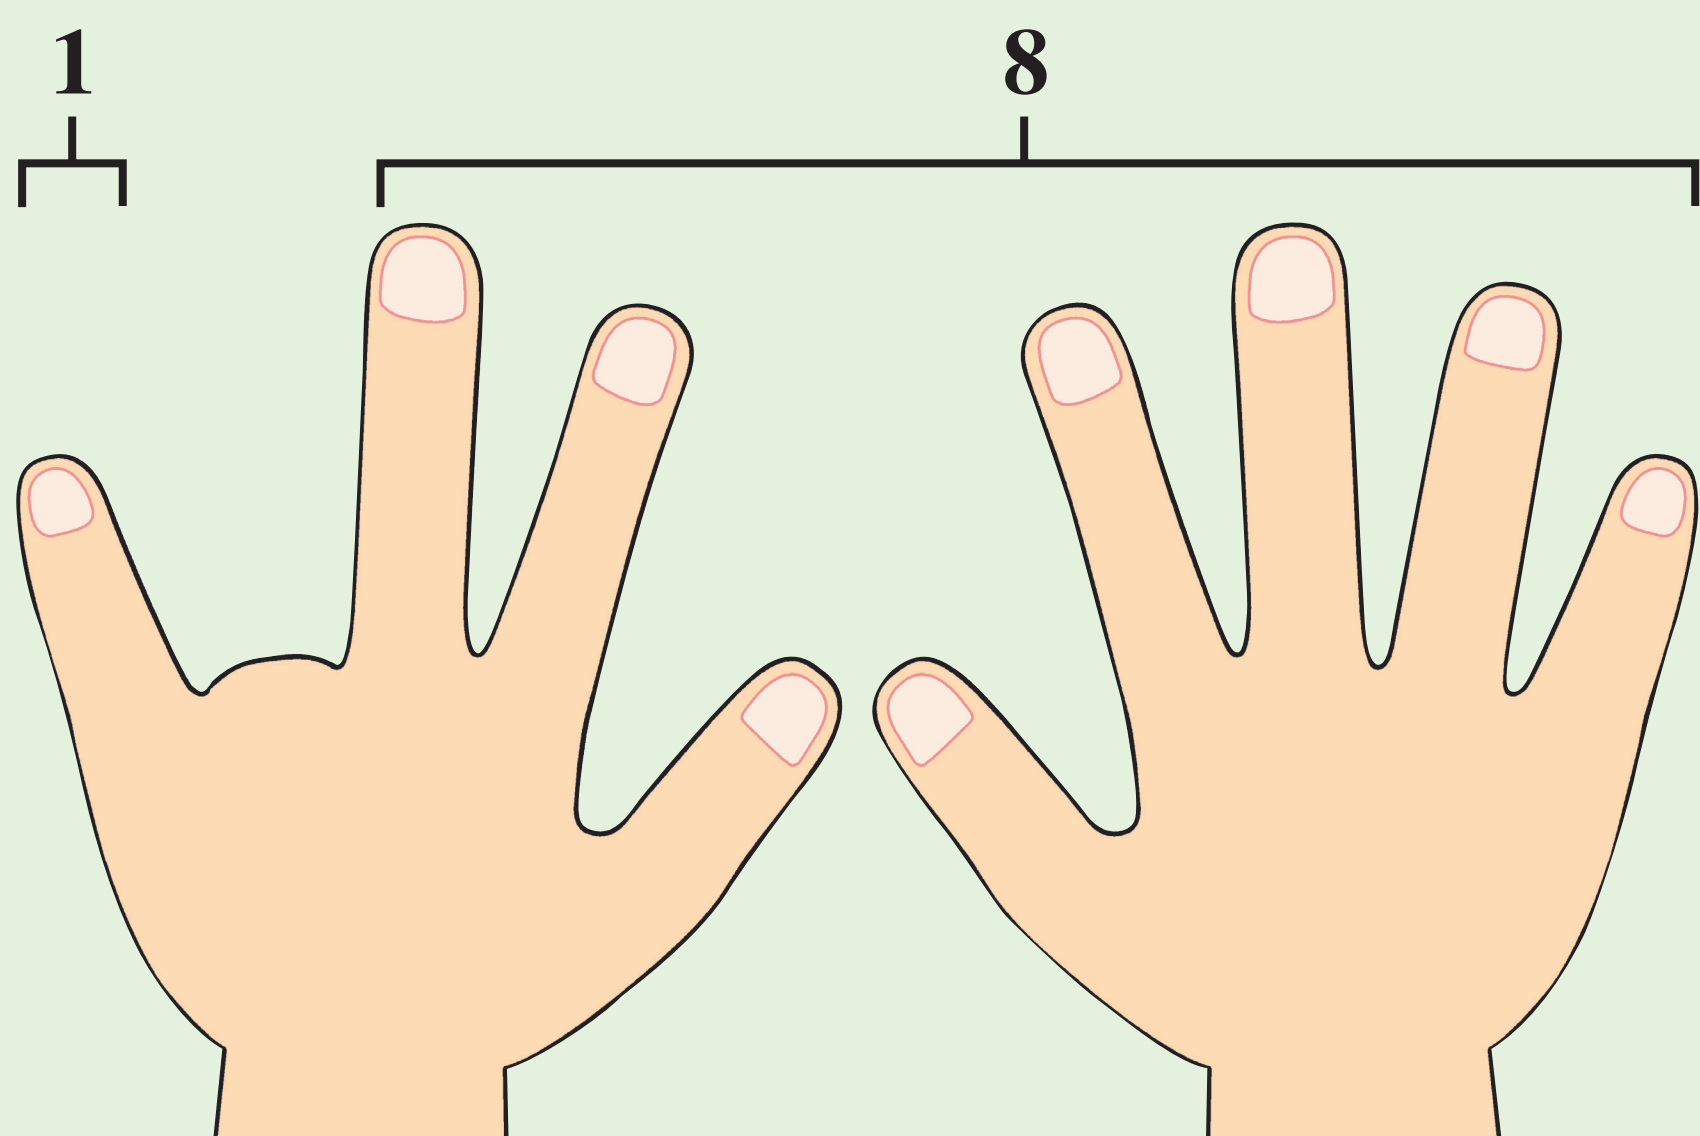

Don't you know our body has a close relationship with mathematics? With only our 10 fingers, we can easily calculate multiplications by 9. Come on, try and see!

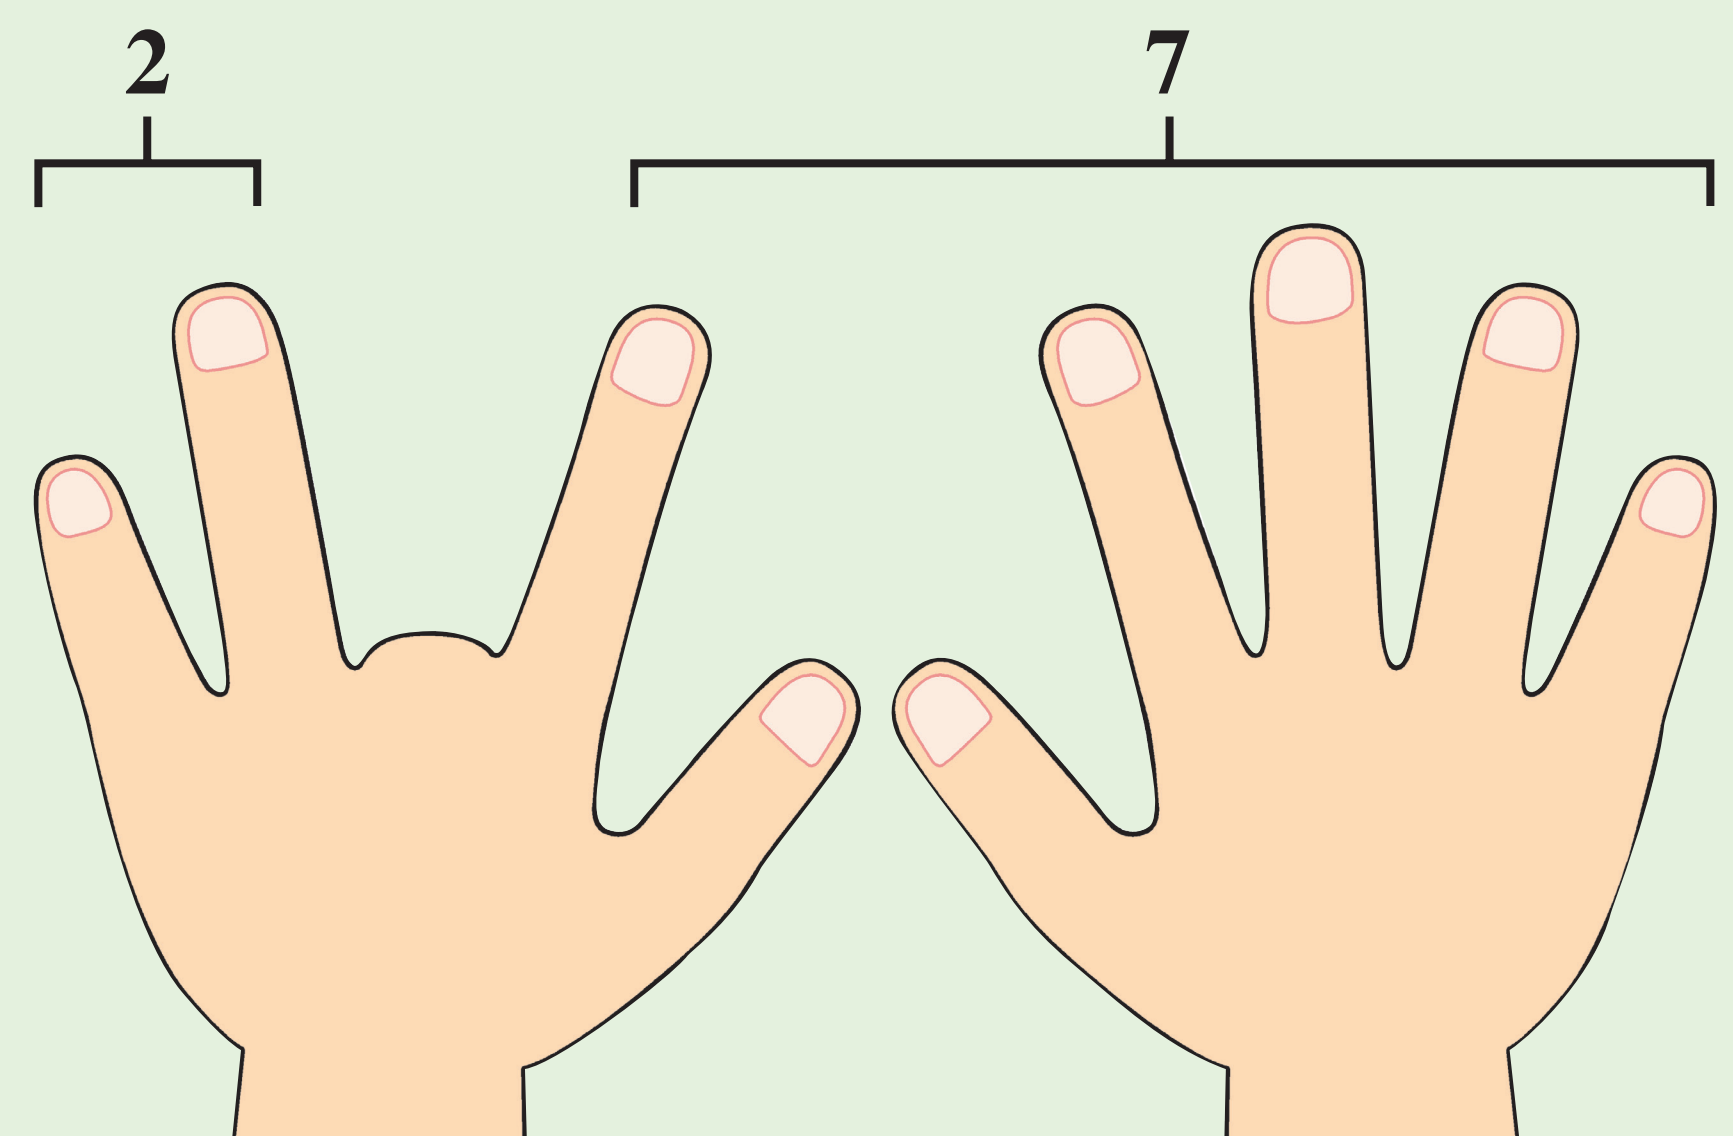

$$9 \times 1 = 9$$

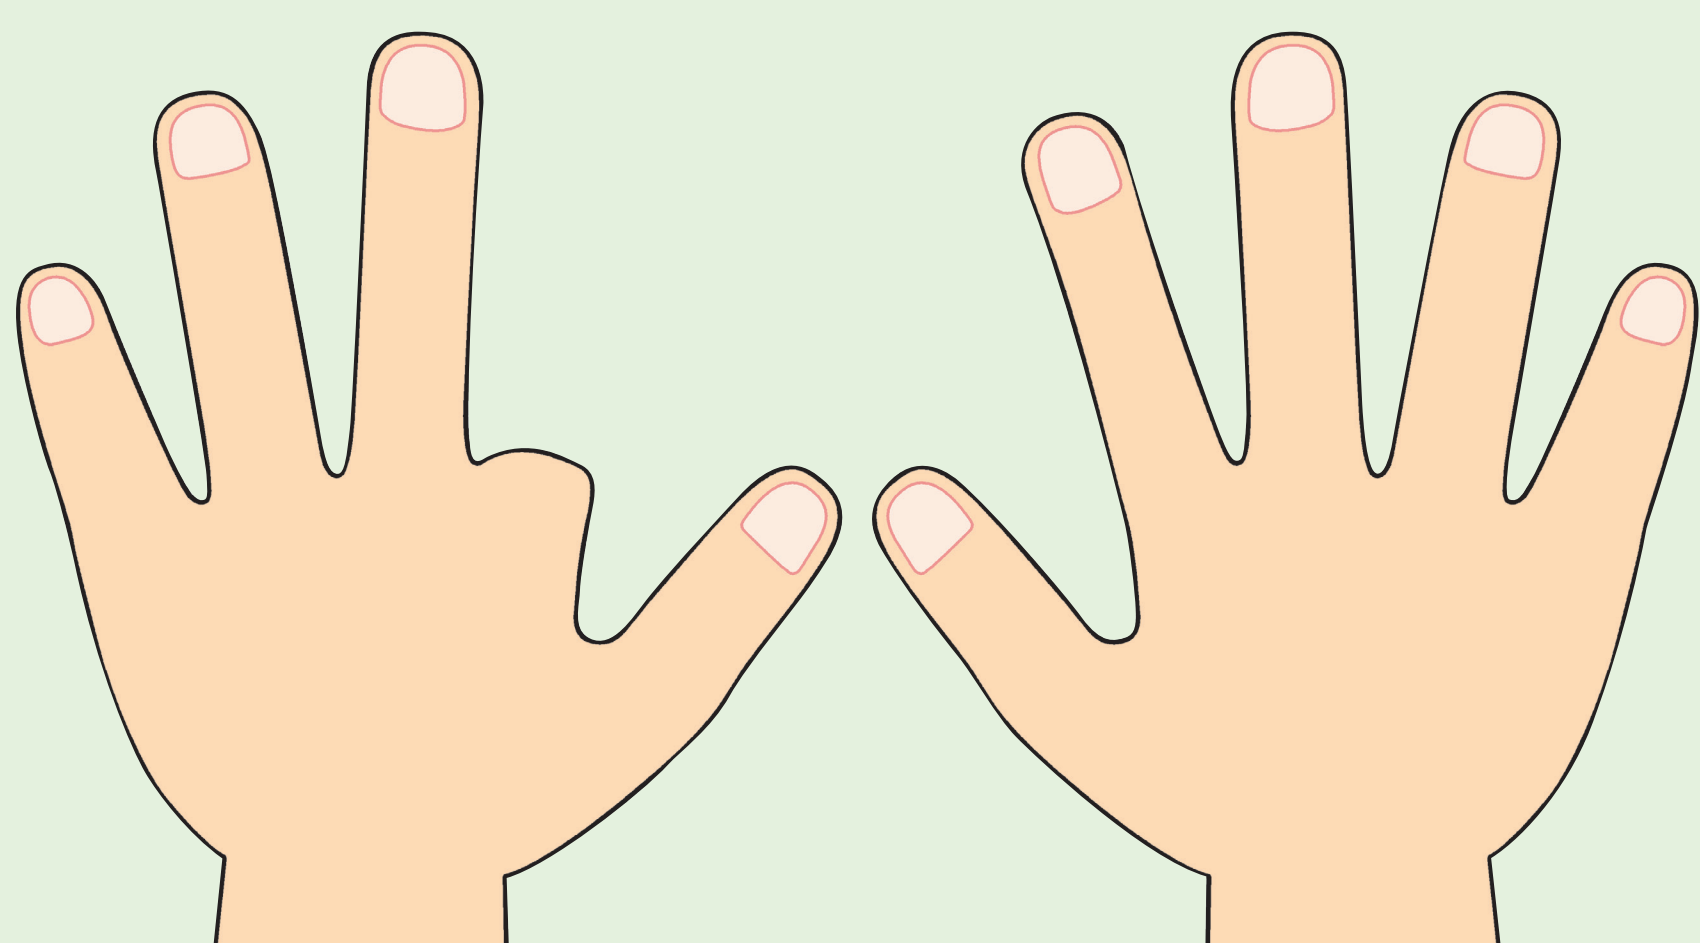

$$9 \times 2 = 18$$

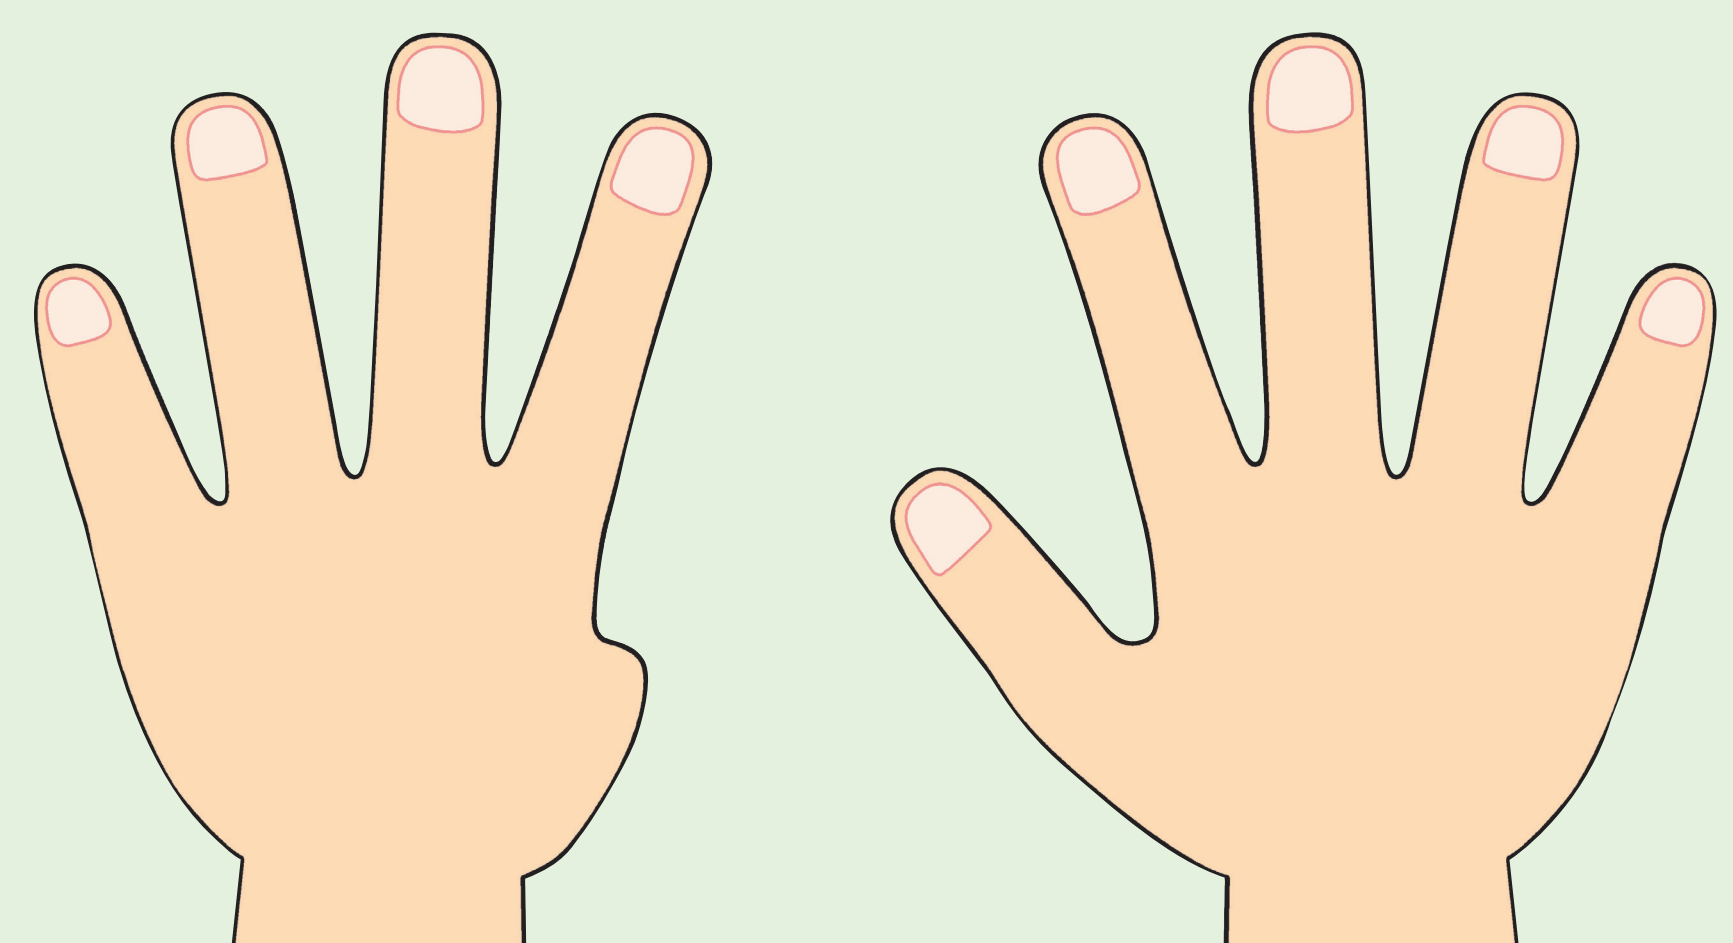

$$9 \times 3 = 27$$

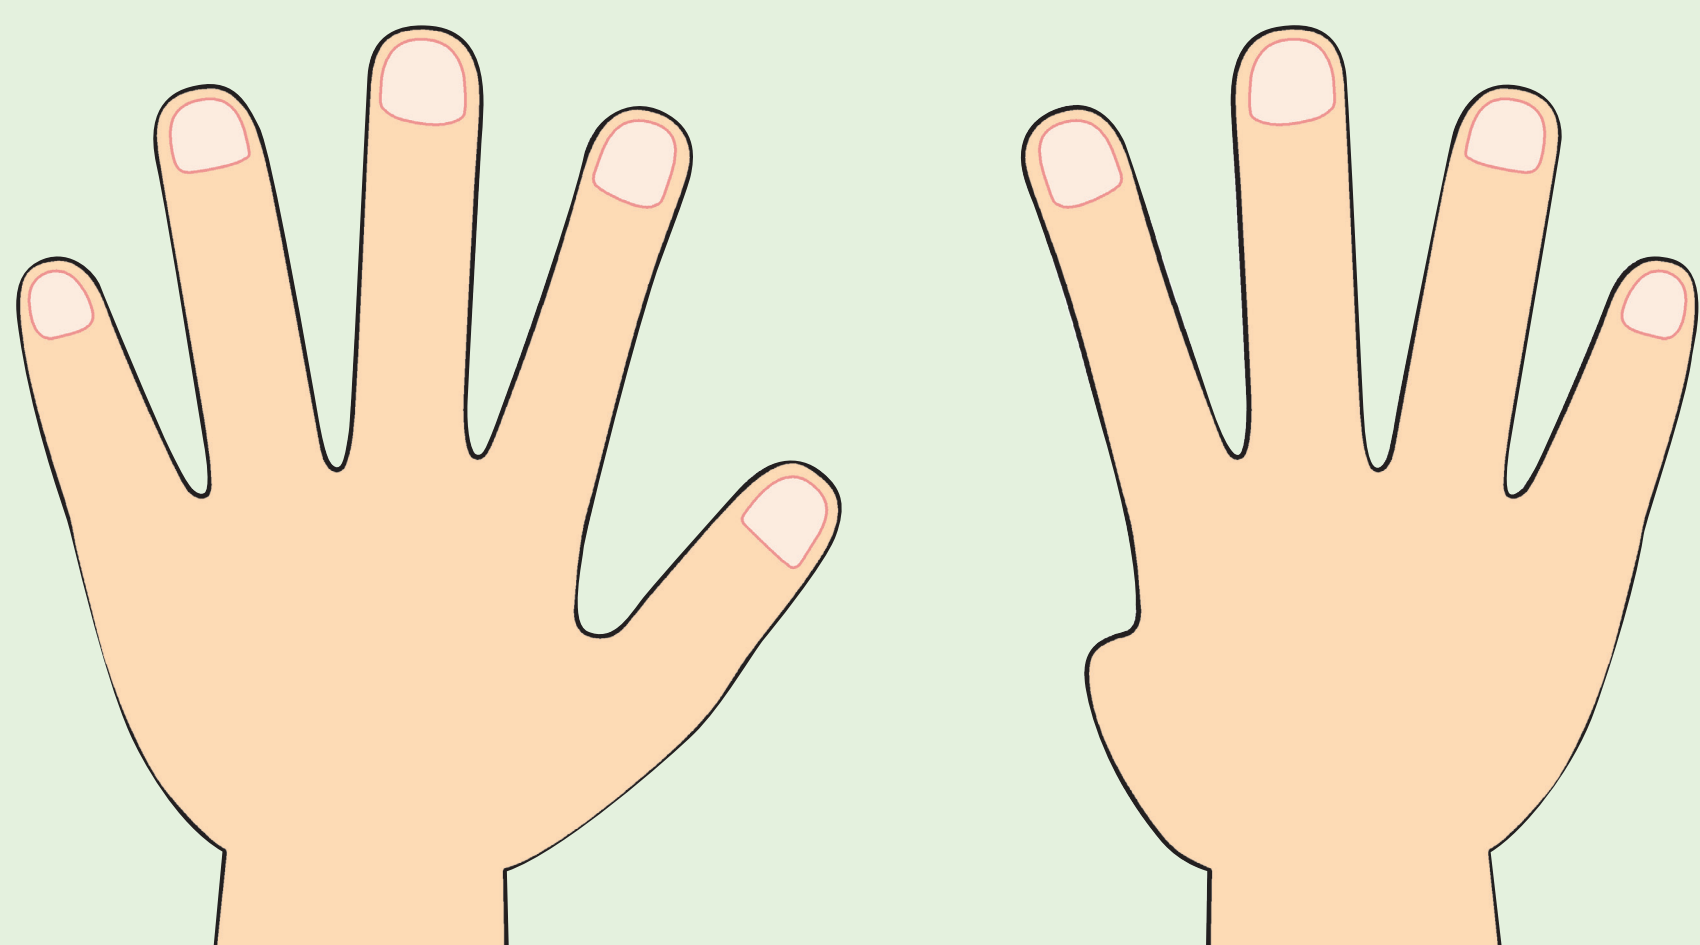

$$9 \times 4 = 36$$

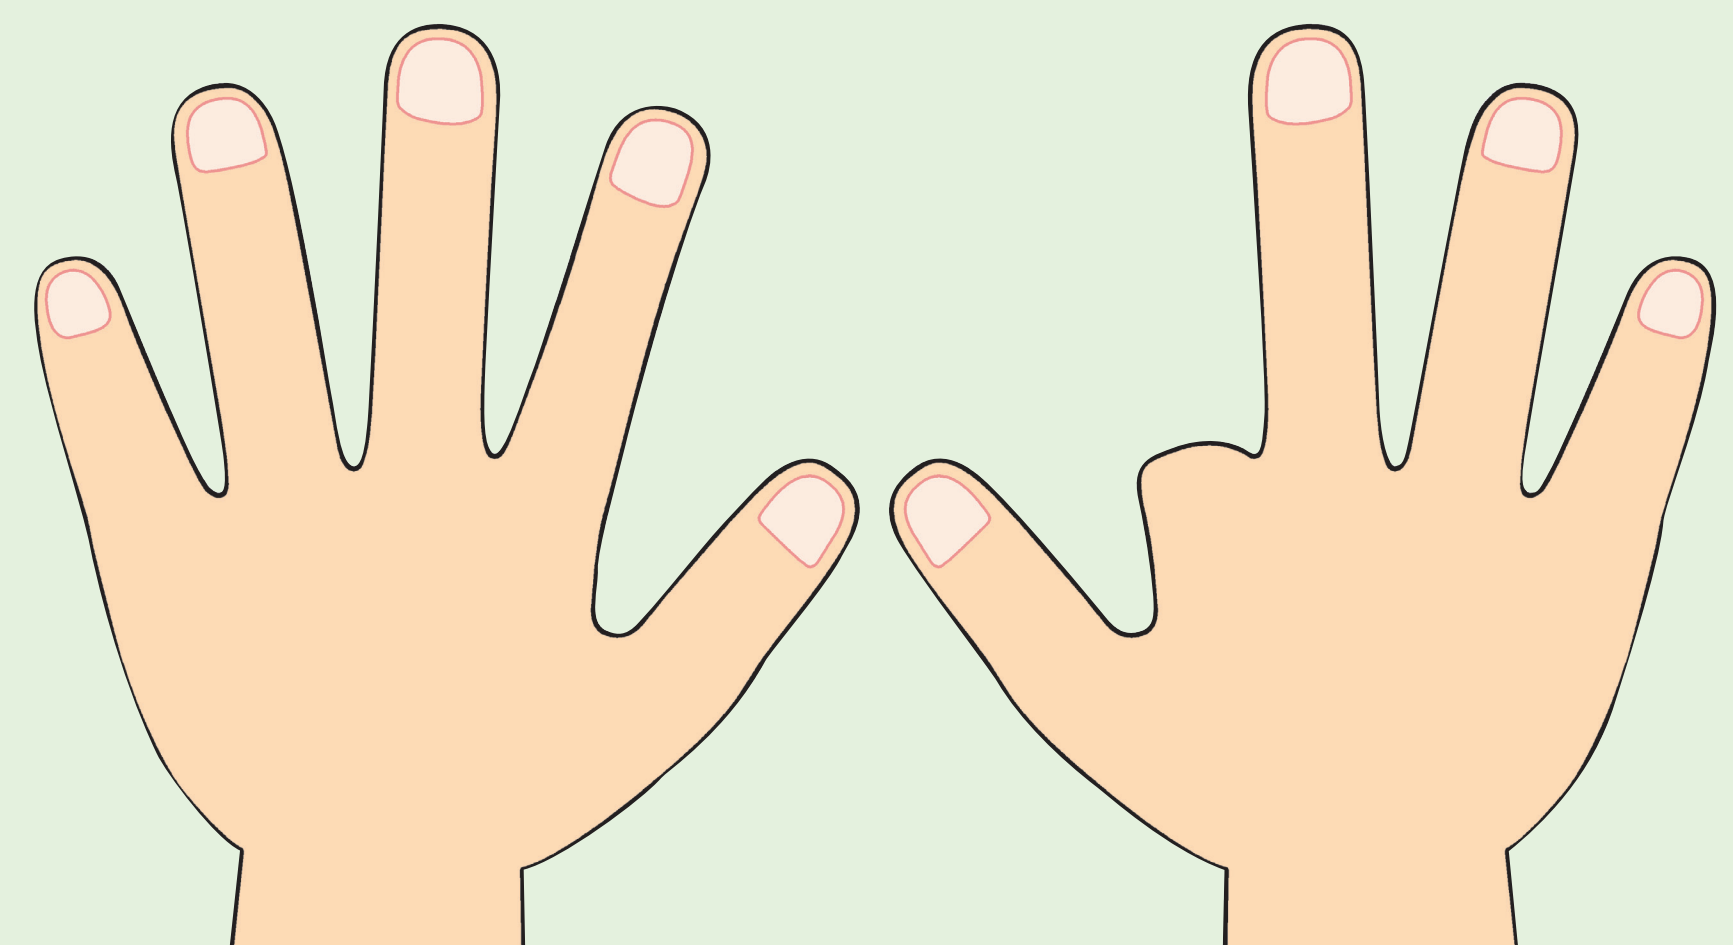

$$9 \times 5 = 45$$

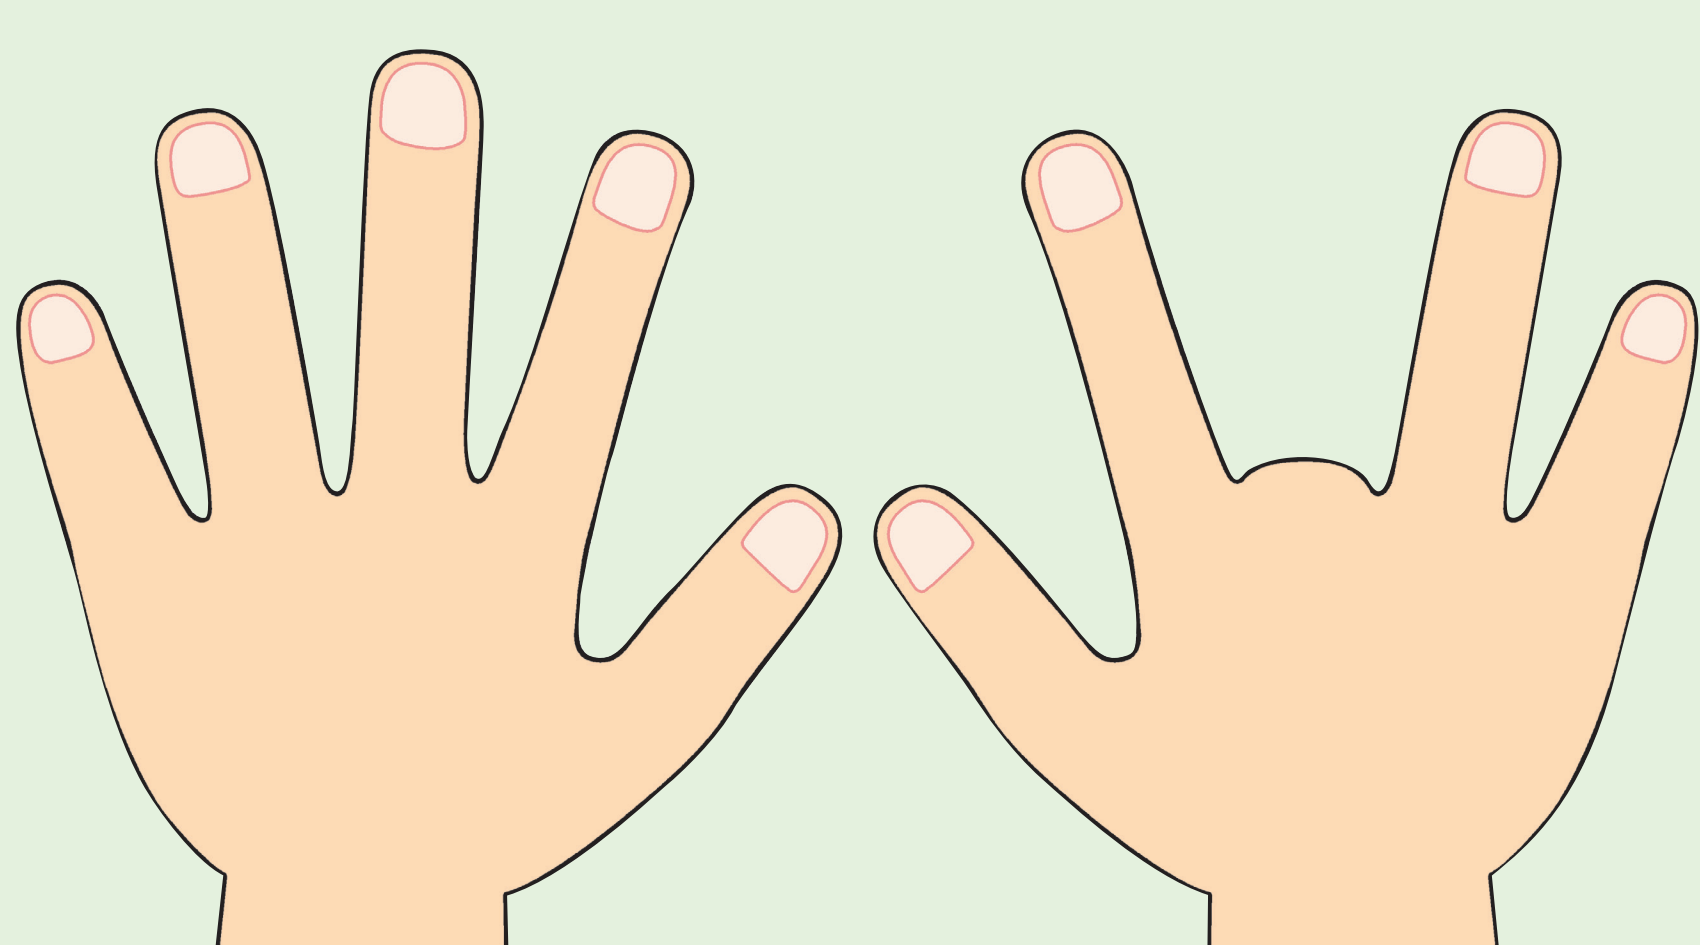

$$9 \times 6 = 54$$

$$9 \times 7 = 63$$

$$9 \times 8 = 72$$

$$9 \times 9 = 81$$
